Before submitting this form, the entire Membership to Graduate Faculty process should be reviewed on our website at <http://graduate.iupui.edu/faculty-staff/membership.shtml>.

Nominator's Information:	Last Name:	First Name:	Middle Name:
	Department:		Campus:
Nominee's Information:	Last Name:	First Name:	Middle Name:
	University ID#:	Department:	Campus:

Request for Graduate Faculty Status	
Place an "X" in the box next to your request.	
	Request Graduate Faculty Status
	Already on Graduate Faculty, Add Endorsement
	Remove from Graduate Faculty
	Remove Endorsement

Request for Limited Status or Outside Member Approval	
Place an "X" in the box next to your request.	
	Request for non-tenure track faculty or other appointee to receive Indiana University "limited graduate faculty status." This can include adjunct, instructors and research-track faculty who can be nominated to serve on limited or select student committees.
	Faculty has left or is leaving IU, therefore I am requesting "limited graduate faculty status" for this member to remain on a student's research committee until the student graduates. NOTE: Faculty who leave IU cannot remain on a committee as chair. They can move to co-chair or regular member. These situations require a Change of Committee Member Form which can be found at http://graduate.iupui.edu/forms/index.shtml. Student name(s) and university ID number(s) must be listed below.
	Request for outside (non-IU) member approval. (Note: This would be considered a 5 th member and may not be one of the minimum four and cannot serve as chair.)
Student's Name (required):	Student's University ID number (required):

This completed form and nominee/faculty curriculum vitae (CV) are required for all requests and must be submitted to Dr. Janice Blum, Associate Dean for University Graduate Studies (jblum@iupui.edu) for approval.

Questions about this process may be directed to gradrec@iupui.edu.
