.....
Note: The student's major department shall assign every Ph.D. student admitted to a degree program to an advisory committee no later than one year after admission to the Ph.D. program.

Programs are no longer required to send the Appointment of Advisory Committee/Change to Advisory Committee forms to the IUPUI Graduate Office. Although our office will **no longer track or store** these forms, it remains the responsibility of the program to assign an advisory committee for each graduate student. It is also the programs responsibility to continue to complete the form, check graduate faculty membership, store the form and follow the University Graduate School Bulletin requirement.
