Dean’s Report
Please encourage your school’s graduate program directors and department chairs to look closely at graduate and professional student enrollment and degree completion. Enrollment, headcounts, and credit hours can be found Institutional Effectiveness: Data Link. Data on degree completion can be found lower on that page – degree completions internal table (requires IU login). The completion data in the attached file is for graduate and professional degrees and certificates. The state provides funding to the campus/schools for degrees completed on time (including bachelor’s, master’s, and doctoral degrees). Thus, both degree completion and enrollment are important.

We will be asking for volunteers to serve on a committee to expand our strategic plan to include more aims related to research. Dr. Blum will be reaching out to individuals to request their help with this task.

Sean Kilpatrick indicated that anyone can email vpss@iu.edu and ask to be added to either (a) the OVPSS faculty/staff listerv to receive their email updates and newsletters and/or (b) the Stellic Implementation Advisory Group Teams channel and standing Tuesday 9:00-9:30 AM touchpoints. The touchpoints are all recorded too, and you can come and go each week as you wish.

Assistant Dean’s Report
Dr. Hardy will be contacting some of you to serve on an appeals committee to review student appeals.

The Grad Parent Network will meet at Noon January 31st. Register here to join.
