

Depositing Student Request for Exception to CAND 99100 + 1 CR Enrollment

This exception request is for **Thesis Master's and PhD** graduate students in Purdue programs needing final exam and/or deposit of thesis to graduate. Exception to enroll directly into CAND 99200 will be granted and course permission established for students meeting all requirements. Department must sign and submit this form for request to be valid.

Status in the semester of graduation (choose one)

I plan to **defend and deposit** my thesis/ dissertation by the Early Deposit Deadline.

I have successfully defended my thesis/ dissertation and plan to **deposit** by the Early Deposit Deadline.

Please acknowledge the following:

I am aware that my degree requirements, including all approvals, must be completed by the Early Deposit Deadline which is _____ for my semester of graduation.

I am aware that if I will not meet the early deposit deadline above, I will drop CAND 99200 and add CAND 99100 plus 1 credit of research (69800 for MS degree or 69900 for PhD) using the late drop/add app in One.IU and any registrar late fees are my responsibility

I understand that this is a one-time option; if I do not fulfill all deposit requirements by the deadline while enrolled in CAND 99200, I will have an "F" on my transcript in CAND 99200 and I must enroll in CAND 99100 plus 1 credit of research to remain on the graduation roster - any registrar late fees are my responsibility

International students only:

I understand that it is my responsibility to learn how CAND 99200 **non-full-time enrollment** will impact my visa status by working with International Affairs student services

I acknowledge that by approving this request for exception, the IUPUI Graduate Office is not responsible for any impact this may have on my visa status – that is my responsibility
