Thesis/Dissertation document overall:

	We encourage you to use our formatting template at the start of your writing. The template contains formatting issues that students regularly struggle with during their reviews. You will find the formatting template at https://graduate.iupui.edu/theses-dissertations/formatting.html
	Margins: left 1.5", right, top and bottom are 1"
	All pages, the material starts at the top 1" margin. Exception: pages that start with a table/figure/picture.
	Hyperlinks and symbols need to be same font type and size as the rest of the document and black in color.
	Font size is either 11pt or 12pt, pick one or the other
	The template is Times New Roman. Student can use any font but make sure all dropdown options, text and page numbers are changed to match.
	Spacing is 1.5 or double, however long quotes are to be single spaced and indented on the left and right sides 0.5 inches.
	Page numbers will be at the bottom, center of page, 0.5" from the bottom of the page and must match font and size used in the document.
	Landscape pages - ensure your margins are correct (the 1.5" should be on the top now) See the formatting template for more instructions on inserting landscape material.
Title Page:	
	Title cannot be bold
	Title centered, all capital letters, same line spacing as document.
	Same font size as document.
	Student's name as it appears on transcript in One.IU, centered

	Single spaced or match the spacing of document.
	Page numbers must be aligned.
List of Abbreviations:	
	This page is optional.
	List your abbreviations and their meanings here if needed.
	Single spaced or match the spacing of document.
Introduction page to end of document:	
	This is where Arabic numbering starts (1).
	Footnotes are same font type as the rest of the document with a font size of at least a 10pt, but no larger than the document font size. Must be single spaced or match the document spacing.
	Address widow/orphans so that there are no single lines of a paragraph on the top of a page or a new heading starting at the bottom of a page.
	New chapters start on new pages.
	Font type, paragraph indentation, font size must be consistent throughout the document.
Appendix:	
	This section is optional.
References:	
	Can be student's preferred style guide but the title must have the same format as chapter titles, so capitalization, placement and font type (bold or not) will match.
	Font size and type will be the same as the document and the line spacing can be single spaced or match the document spacing.
	If document is justified, the references must also be justified.
	Margins match the rest of the document.
Curriculum Vitae:	
	Title "Curriculum Vitae" must be formatted like the chapter titles, including capitalization, placement and font type (bold or not).
	Student's name as it appears on transcript in One.IU, centered or left aligned. May be bold. Do not include degree credentials.
